

RULES

Each team has to do 3 crosswords. All words in them refer to rivers, waters and ecology.

1. The team who is ready first with the three crosswords gets 10 points.
The second team – 8 points, the third- 6 points, the fourth- 4 points, the fifth- 2 points;
2. The team gets 1 point for each correct answer (word) as follows:
 - for the first crossword – 8 points
 - for the second crossword – 9 points
 - for the third crossword – 13 points
- 3.If the team needs help, it gets $\frac{1}{2}$ point for the word.

Total: 40 points
