

Players: 6 groups (1 or 2 students from each country )

Age: 10+

Duration: 30 minutes

There are six puzzles and each group are given a puzzle. Each puzzle includes the natural views of the six countries within the project. First, students will mix the pieces of the puzzle and then they will try to put them in order according to the original picture. First group to finish the puzzle will be the winner. And the winner team will get little surprise gifts!
